In Memoriam ~ Bob Baker

We have been fortunate to know Bob here at Batik Textiles for many years. He was wonderful to work with and the Batik Textiles staff will miss him greatly.

Bob and Darby; our dog that comes to work with us every day and he loved Bob. The feeling was mutual.

It is with a heavy heart that I bring you this news. Bob Baker, our wonderful warehouse manager passed away on Wednesday afternoon, July 24, 2019. We have been fortunate to know Bob here at Batik Textiles for many years.

Bob was usually the first one to answer the phone here at the Batik Textiles' warehouse. Even though most of you probably have never actually met Bob, many of you know him through your phone conversations and email communications. He was always upbeat and positive. He was wonderful to work with and the Batik Textiles staff will greatly miss him.

Bob loved animals. He was involved in helping stray and homeless animals in his area. The family has asked that if you are so inclined please make donations to the local humane society in Bob's name.
