

DESERT SUNRISE.....by Susie

From BATIK TEXTILES

FABRIC REQUIREMENTS:

#2833---2 $\frac{1}{4}$ yards
#2834---1 $\frac{1}{4}$ yards
#2835---1 $\frac{1}{2}$ yards
#2836---1 $\frac{1}{2}$ yards
#133 ---1/2 yard
#8645B--1 yard
#6021B -1 yard (binding and
star points)
#7011B---1 yard (squares
and 1st stopper/border)

76"X96"

Cutting: Cut all these at 2" strips X WOF. Based on 40" wide

#2833---11 strips @ 2" and 1 strip @ 5" *

... sub-cut into 48 rectangles- 2" X 3 $\frac{1}{2}$ "

48 rectangles - 2" X 5"

16 squares- 2" X 2"

* 4 squares @ 5"X5"

also 8 strips @ 6 $\frac{1}{2}$ " ---2nd Border

#2834---20 strips @ 2" "

sub-cut into 96 2" X 8" rectangles and 48-2" X 2" sq.

*#2835 ---22 strips@ of *each fabric @ 2"

and for each: sub-cut into 24 rectangles 2" X 6 $\frac{1}{2}$ "

*#2836 24 rectangle 2" X 8"

24 rectangles 2" X 9 $\frac{1}{2}$ "

24 rectangles 2" X 11"

Note: Cut the 9 $\frac{1}{2}$ " and the 11" off the same
strip- less waste.

Cutting Continued.....

#133 - 8 strips @ 2"

sub-cut into 48 squares -2" X 2"

48 rectangles- 2" X 3 1/2"

#8645B - 14 strips @ 2"

sub-cut into 48 rectangles- 2" X 5"

48 rectangles - 2" X 6 1/2"

#6021B - 5 strips @ 2"

sub-cut into 96 squares -2" X 2"

1 strip @ 5" -cut into 4- 5" squares

the remainder of this fabric is used for Binding

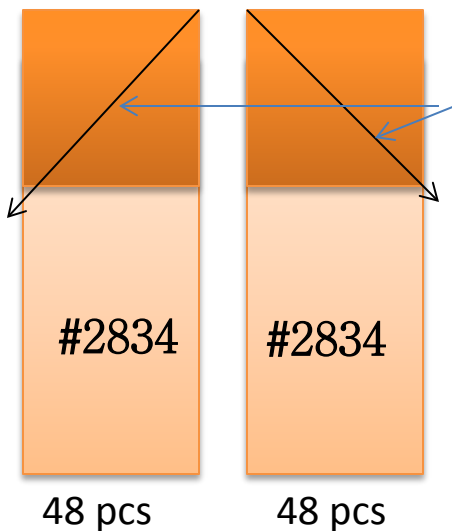

#7011B - 3 strips @ 2"

sub-cut into 48 squares 2" X 2"

8 strips @ 1 1/2"---stopper

1 strip @ 3 1/2" ---cut into 4---3 1/2" squares

Preparing #2834 for Star Points (using #6021B)

Sew on this line/ trim
Press out.

Working with the 96-2" X 8 (#2834) rectangles:

Separate into 2 stacks-all right side up.
Take the #6021B- 2" squares-place them-
one on each top fabric in each stack.
Draw diagonal lines in opposite
directions from each other. Sew on this
line. Trim to 1/4 inch and press out.
Keep these in separated stacks.

#1:Construct 24 LOG CABIN block “sections” in the following order:

#7011B (2”X2”) #133 (2”X2”and 2”X3 ½”) #2833 (2”X3 ½”and 2”X5”)

#8645B (2”X5”and 2”X6 ½”) #2835 (2”X6 ½” and 2”X8”) #2834 (2”X8” and completed 2”X9 ½” as shown below) with star points added as shown below/ **end with #2836.**(2”X9 ½” and 2”X11”)

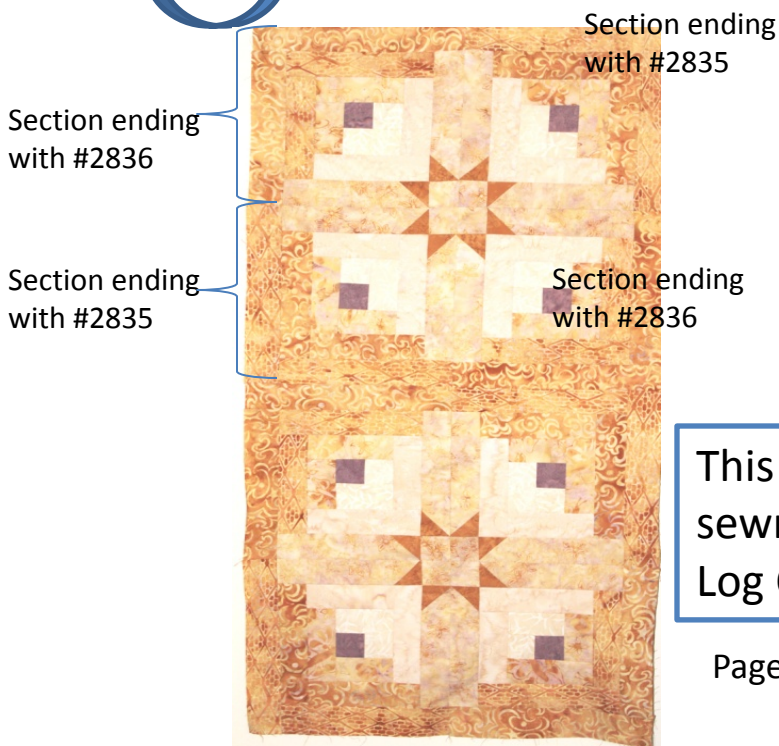

#2:Construct 24 LOG CABIN block “sections” in the following order: **(Using same measurement progression as in step #1.)**

#7011B/#133/ #2833/#8645B/#2836/ #2834 completed with star points added as shown below/**end with #2835.**

Sew together to make STAR POINTS

$$2”X2” + 2”X8” = 2”X9\frac{1}{2}”$$

NOTE:

EACH BLOCK is made up of 4 LogCabin “sections”.

2 sections have their last fabric as #2835 and 2 end with #2836.

The quilt is 3 BLOCKS across and 4 BLOCKS down.

This Diagram shows 2 Blocks-sewn together. Each Block has 4 Log Cabin “sections”

After sewing all “sections” together to form **BLOCKS** (12 total).....

LAYOUT BLOCKS according to Diagram. Sew rows together...nestling seams. Press well.

1st BORDER: working with the 8 strips of #7011B cut at 1 ½” :

Piece all together to equal 1 long strip. Fold in half length-wise and press well. This will be a Folded Flap border and it does not add any measurement to the quilt.

Measure your quilt top from top to bottom-THRU THE CENTER of the quilt. Cut 2 pieces from your folded strip this measurement.

With raw edges together-pin ends to the top and bottom corners-easing **evenly** if needed. Sew using a scant ¼” -sew one to each side of your quilt top- from top to bottom.DO NOT PRESS OUT! This lays on top of the quilt top and gets “sandwiched” in between the quilt top and next border.

Now measure from side to side thru the center of the quilt. Cut 2 pieces of the folded strip this measurement.Pin and ease if needed. Sew 1 to the top and 1 to the bottom-matching raw edges in the same way as with the sides. The 4 corners will lay on top/overlap the 2 side folded strips.

2nd BORDER: Using the same measurement from 1st Border-sides...

and working with the 6 ½” strips of #2833--
Piece together 2 strips to equal your side measurements.
RST-sew one to each side-sandwiching the 1st border in between.
PRESS OUT.

Before piecing top and bottom strips-construct **CORNER BLOCKS**.

Construction of CORNER BLOCKS:

You will need 8-half square triangles **per** CORNER BLOCK (Total of 32.)
I use the QUILT IN A DAY METHOD but you can use what ever way you choose.

Center 3 ½”X 3 ½” square
#7011B

2”-UNFINISHED/ 1 ½”
FINISHED -Half-square
triangles (#2833 and
#6021B)

2”X2” squares
#2833

6 ½”X6 ½”

Construction Of Corner Blocks continued:

Quilt In A Day method:

Take the 4---5" squares from #6021B and #2833. Pair them up-one with the other---and RST -pin together. Draw a line from each corner to the other-DIAGONALLY. Sew $\frac{1}{4}$ " on both sides of lines/ Set on cutting mat and do not move or pick up fabric. **Cut apart following Diagram Below.** Using the Triangle Square Up Ruler from Quilt In A Day- **square up all to 2"** .Press triangles open to make the squares. Each square yields 8-half-square triangles.

Sew the Half-square triangles together in pairs as shown on Diagram -(bottom of page #4.) Lay out these pairs, the 3 $\frac{1}{2}$ " #7011B squares- and the 2" #2833 squares to form each corner block as shown. Corner Block should measure 6 $\frac{1}{2}$ " square. When sewing on to border/corners- try not to loose your points.

Using the measurement for the "Folded Flap" 1st Border-TOP and BOTTOM-- piece the top and bottom 2nd Border together to this measurement. Sew a corner block to each end. Pin top and bottom border to Quilt -easing to fit. Sew. Press out.

This method of measuring your quilt thru the center of the quilt for borders and easing to fit that center measurement, "Squares up" your quilt and prevents "Potato Chip" borders. (wavey)

LAYOUT DIAGRAM
