

Bali Tote.... from Batik Textiles

Purple Polka Dots

* This pattern uses 5- ½ yard cuts of 5 different fabrics from the Bali Box group from BATIK TEXTILES . There are Prints..blenders /tone-on-tones .The layout & instructions are for the sample shown. Blenders and tone-on-tones are interchangeable in other colorways. When using different fabrics...make sure there is plenty of contrast between Blenders/tone-on-tones and prints for the front motif. * Use Annie's Soft and Stable or Pellon Fusible Fleece to give the tote and handles body. 1 yard is plenty. If you want extra body-cut fusible for lining too -2 yards needed then.
