

A woman with long brown hair and blue eyes, wearing a cream-colored dress with a floral pattern, stands in front of a large, colorful quilt. The quilt features various patterns, including a large blue and green checkered section on the left, a red and blue geometric section on the right, and a central section with a mix of colors and patterns. The woman is looking directly at the camera with a slight smile.

Batik

TEXTILES

Creators of Distinctive Handmade Fabrics

Our Simply Primitive Collection consists of an array of rich, beautiful colors created with the primitive quilter in mind.

The fabrics are hand dyed and hand stamped in Bali. The colors will blend in perfectly and complement your current lines of primitive fabrics in your store. Flip through the pages to see our unique colors and beautiful patterns.

Along with the patterns you will find examples of beautiful quilts created by some of our most talented design ambassadors using Batik Textiles fabrics as well as where you can get the patterns.
