Trunk Show quilts are loaned to Batik Textiles customers for a period of one month. Each quilt is made from a specific Batik Textiles fabric collection (approximately 15 fabrics per collection).

Shops participating in a Trunk Show will purchase one bolt each of the Collection of fabrics associated with the loaned quilt (from Batik Textiles), and purchase the corresponding quilt patterns (directly from the designer) to sell in their shop.

UPS Shipping is provided free of charge for the loaned quilt, which will arrive in new/excellent condition and must be returned to Batik Textiles in the same condition.

A signed Contract is required before Trunk Show quilt(s) can be sent. If more than one quilt is available in the Shop's selected Collection, Batik Textiles may include 2 or more quilts for your Trunk Show.
